OSGOODE
— TOWNSHIP —
MUSEUM

VERNON, ONTARIO

**GARDEN SPONSORSHIP
OPPORTUNITY**

Hello!

My name is Helen Porteous, and I am the Chair of the Osgoode Township Museum's Heritage School and Community Garden in Vernon, ON.

The garden was developed in 2013 through a series of grants and a dedicated team of volunteers. Our site hosts the main school garden, an orchard, a small bee pollinator patch, a butterfly garden, a sensory garden and gazebo, and perennial flower beds.

The garden and surrounding property is mostly maintained by the city but any additions like benches etc. we must raise funds for.

The garden/orchard committee consists of volunteers that plan, plant and maintain the gardens so that residents of the area may come and harvest from the gardens all season as it matures.

We have hundreds of visitors including families and seniors that enjoy the garden/orchard each year. They have been kind to leave small donations in our donation box, which offsets the cost of seeds and other gardening supplies. In 2023, our main goal in the orchard and garden is to bring in benches for visitors to rest on as they take in the beauty of our gardens.

The benches we are looking at range from \$700 to \$2000 as they need to be durable as they will be out year-round.

A company may wish to add their logo, name, etc. on a plaque on one of the six benches.

We're asking local businesses, groups, or individuals to support us and meet our fundraising goal of \$5000 for this project.

We're providing a unique partnership opportunity for our community members! The details of the sponsorship opportunity are outlined in this sponsorship package.

With your help, we will be able to help visitors stop and smell the roses!

If interested, please contact me at 613-821-3685 or James, Executive Director, at 613 821-4062.

Thank you for your time and consideration, and we look forward to seeing you in the garden!

Helen Porteous
Gardening Chair and Director at Large
